## **FACULTY OF SCIENCE Department of Biochemistry**

### **Per-Course Appointment**

The Department of Biochemistry invites applications from individuals interested in teaching 50% of the following undergraduate course in the Winter 2025 semester. Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with Biochemistry department regulations and the Memorial University Calendar.

**Course Title:** BIOC 4105 – Immunology

**Course Schedule:** Slot 1 (9:00 – 9:50 am Monday, Wednesday, Friday)

**Campus Location:** St. John's

**Course Description:** Biochemistry 4105 is an introduction to the cells and organs of the innate and adaptive immune systems. The molecular and cellular basis of allergy, autoimmunity, vaccination and cancer immunology will also be discussed.

**Qualifications:** An M.Sc. in biochemistry or a related area is required. Applicants who have completed a PhD and have practical experience in an area of immunology are preferred. A demonstrated knowledge of immunology is required. Experience with teaching this subject matter is an asset.

To apply for this position, please submit a letter of application, curriculum vitae and the names of referees, electronically or in writing, to:

Dr. Mark D. Berry, Head  
Department of Biochemistry  
Memorial University of Newfoundland  
St. John's, NL, A1B 3X9  
Email: [biochem@mun.ca](mailto:biochem@mun.ca) Tel: (709) 864-8529

**Salary:** As per the MUN-LUMUN Collective Agreement

**Closing Date:** Tuesday, November 5, 2024

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities, and racialized people; and people with disabilities.
