EXPERIENCE

Equity Analyst

The Fund, Memorial University of Newfoundland

Sep. 2025 - Present

St. John's, NL

- Performed equity research and valuation of companies in the Financials sector, constructing financial models to analyze earnings reports and industry drivers.
- Prepared and presented investment recommendations and sector outlooks to portfolio managers and professional mentors to grow the fund's \$450,000 AUM.

Infrastructure Engineering Intern

Canadian Coast Guard

Apr. 2025 – Aug. 2025

St. John's, NL

- Managed asset records for more than 15 government-owned facilities in IBM Maximo, supporting lifecycle cost tracking, and consolidating data from 4 regional offices reducing reporting time.
- Estimated refurbishment and replacement costs for projects, improving forecast accuracy and ensuring alignment with long-term financial goals.

Project Management Intern

PCL Construction

Sep. 2024 – Dec. 2024 and Jan. 2024 – Apr. 2024

Halifax, NS and Vancouver, BC

- Directed procurement for a \$500M hospital expansion, processing requisitions and inventory to optimize budget use and coordinated weekly stakeholder meetings with 25+ participants.
- Oversaw modular trailer construction valued at \$3M, identifying deficiencies and negotiating corrective actions that reduced costs by 10% (~\$300K), and tracked weekly labor costs for a workforce of 150+ and generated financial reports that improved budget accuracy.

Civil Engineering Estimating Intern

Pennecon Limited

May 2023 – Aug. 2023

St. John's, NL

- Estimated project costs and material takeoffs using Bluebeam and Excel, achieving forecasts within 10% accuracy to strengthen project planning.
- Developed PowerPoint presentations highlighting key technical and financial details of upcoming projects, presenting findings to senior leadership to inform bidding and strategic decisions.

VOLUNTEER EXPERIENCE

Merch Lead Volunteer

East Coast Music Awards

May 2024 - Present

St. John's, NL

- Led merchandise sales, inventory, and cash handling, supporting financial reporting and budgeting during award events.
- Received the Volunteer of the Week Award for the Finance Department.
