Non-business electives can be a 3 credit hour course chosen from any discipline except Business. Students must complete a total of fifteen electives (45 credit hours), all of which can be non-business electives. Of the fifteen electives (45 credit hours), students have the option of completing a maximum of 7 business electives (21 credit hours). See Table 3 Business Electives in the University Calendar for a list of business electives. Students are encouraged to note the prerequisites for Business 5001 (formerly 7000) - Strategic Management II and plan their courses so that they have completed all the prerequisites prior to the semester in which they plan to take Business 5001 (formerly 7000).
