WINTER 2025 COURSE DELIVERY & REGISTRATION INFORMATION

- Memorial's courses are offered both online and in-person. The Bachelor of Commerce (Co-operative) degree is primarily an in-person, full-time program and therefore, students are expected to be on-campus for the majority of their courses. Priority for online sections is typically given to students not completing the co-op option unless a course is only offered online.
- [MUNUp](#) is an online tools and resources hub created to help you succeed in completing your coursework remotely. Additionally, CITL staff are available to assist you through the [Support Centre](#) during select office hours, seven days a week.

Course Registration

- **Registration for the Winter 2025 semester begins on Monday, November 4th.** Please check your Memorial Self-Service account for your assigned registration time. We strongly encourage you to register at your designated time, as courses and sections fill up quickly.

Once business courses have reached the maximum enrolment, the Faculty of Business Administration will not sign students into the section.

- **Course load requirements.** In accordance with Section 5.2.2 in the [Calendar](#), B.Comm. (Co-op.) **students must register for 15 credit hours (five courses) in each academic semester.** The 15 credit hours (five courses) registration requirement applies to all students, even if you have completed additional courses over the duration of your degree. If you fail to comply with this regulation, you will be required to withdraw from the B.Comm. (Co-op.) program.
- For questions or help using the Memorial Self-Service system, visit the [Registrar's Office webpage](#).
