## **FACULTY OF SCIENCE**

### **Department of Computer Science**

#### Per-Course Appointment

The Department of Computer Science invites applications from individuals interested in teaching Computer Science 4754 in the Fall 2024 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Department of Computer Science regulations and the Memorial University Calendar.

**Course Title:** COMP 4754: Database Systems

**Course Schedule:** Lectures: Tuesdays and Thursdays, 3:30 – 4:45 PM (Slot 20).

**Campus Location:** St. John's

**Course Description:** COMP 4754 introduces students to database processing, database management systems and database design considerations. Additional topics covered include the theory and methodologies essential for the relational database design, implementation, manipulation, optimization and management.

For further information regarding this course, please visit: <https://www.mun.ca/computerscience/undergraduates/courses/comp-4754-database-systems/>

**Qualifications:** A general knowledge of all areas of Computer Science and an in-depth understanding of relational algebra, database processing, design, implementation, and management is required. The applicant should be able to confer excitement about the field of Computer Science. Prior teaching experience with course material for Computer Science is highly beneficial. Applicants should have a Master's degree in Computer Science or closely related discipline, or equivalent combination of education and experience.

To apply for this position:

Please submit a letter of application, curriculum vitae, and the names of three referees, electronically or in writing to:

Dr. Sharene Bungay, Department Head  
Department of Computer Science  
Memorial University of Newfoundland  
St. John's, NL, A1B 3X5  
Email: [cs-chair@mun.ca](mailto:cs-chair@mun.ca)

**Salary:** As per the MUN-LUMUN Collective Agreement

**Closing Date:** Wednesday, July 3, 2024

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities, and racialized people; and people with disabilities.
