KEY PLAN

ASSEMBLY POINT LOCATIONS

If The Fire Alarm Sounds:

1. Stop all work and remain calm;
2. Evacuate IMMEDIATELY using the nearest safe exit, proceed outside, and clear the building to a minimum distance of 100 m (300 feet) to the nearest assembly point: **DO NOT USE ELEVATORS FOR EVACUATION PURPOSES;**
3. If you require assistance to evacuate:
 - a. take shelter in a safe location,
 - b. inform someone of your location, and
 - c. ask them to notify CEP or Fire Department (Main Entrance) of your location.
4. Do not attempt to remove any vehicle from the parking lot/garage;
5. Obey all instructions of the Emergency Wardens and CEP;
6. Comply with Fire Department orders; and
7. Return to the building only when CEP has authorized you to do so.

If You Discover Fire, See Smoke Or Smell Gas:

1. Sound alarm to warn occupants; (Fire alarm pull station)
2. Evacuate IMMEDIATELY using the nearest safe exit, proceed outside, and clear the building to a minimum distance of 100 m (300 feet) to the nearest assembly point: **DO NOT USE ELEVATORS FOR EVACUATION PURPOSES;**
3. If you require assistance to evacuate:
 - a. take shelter in a safe location,
 - b. inform someone of your location, and
 - c. ask them to notify CEP or Fire Department (Main Entrance) of your location.
4. If trained to do so, fight fire using a fire extinguisher only if it is small and not between you and an exit; and
5. Call Campus Enforcement and Patrol at 864-4100
