Faculty of Engineering and Applied Science

Department of Civil Engineering

Per Course Instructors

The Department of Civil Engineering invites applications from individuals interested in teaching the following graduate and undergraduate courses in the Winter 2025 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course-by-course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Department of Civil Engineering regulations and the Memorial University Calendar.

| Course Number | Course Title | Course Schedule | Qualifications | Number of Sections | Campus |
|----------------------|-----------------------------------|--|---|---------------------------------|---------------|
| CIV 5110 | Fluid Mechanics | 3 lecture hours per week, 12 tutorials, and 5 labs | Ph.D. degree in Civil Engineering with background and experience in the field. | 1 section (1.215 credit course) | St. John's |
| CIV 8000 | Civil Engineering Project | 3 lecture hours per week | B.Eng. degree in engineering plus a minimum of 3-year relevant work experience. P.Eng. required. | 1 section (1 credit course) | St. John's |
| CIV 8830 | Contract Law and Labour Relations | 3 lecture hours per week | Degree in Engineering and/or Law. Expertise in contract law and labour relations would be an asset. A practicing lawyer is preferred. | 1 section (1 credit course) | St. John's |
| CIV 8150 | Municipal Engineering | 3 lecture hours per week | Ph.D. degree in Civil Engineering with background and experience in the field. | 1 section (1 credit course) | St. John's |
