Faculty of Engineering and Applied Science

Mechanical Engineering

Per-course Appointment

The Mechanical Engineering invites applications from individuals interested in teaching the following graduate course in the Fall 2022.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Faculty of Engineering and Applied Science regulations and the Memorial University Calendar.

Course Title: ENGI 9853

Course Schedule: 3 lecture hrs/wk [TE=1.000]

Campus Location: St. John's Campus

Course Description: Energy Economics and Policy

For further information regarding this course please visit <https://www.mun.ca/engineering/>
