"Where are we now?" – *Memorial's Map Collection*

Maps | Memorial University Libraries

Dan Duda

Dan Duda is the Map Librarian with Memorial Libraries and has been in that position for over 20 years. He will give a brief history of the collection and its close relationship with the Department of Geography at Memorial. But you will also see the breadth of the collection – from Ptolemaic works to the present day. Maps, atlases, gazetteers, and aerial photographs, and other formats will be on display for you to see and discover.

** The Map Room is located on the main floor of the Queen Elizabeth II Library at the end of the corridor left of the main lobby. Look for the large maps on the wall outside our door and put a pin in where you are from then come in and explore. (About Us | Memorial University Libraries)*
