School of Science and the Environment
Grenfell Campus, Memorial University
Per Course Instructors: Winter 2027 semester

The School of Science and the Environment (Grenfell Campus) invites applications from individuals interested in teaching the following undergraduate courses, as listed below, required for the Winter 2027 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course-by-course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the School of Science and the Environment's regulations and the Memorial University Calendar.
