

Cultural Program Leader

Are you energetic, organized, and enthusiastic about supporting meaningful learning experiences? Grenfell Campus is seeking a Cultural Program Leader to help design and deliver engaging activities for visiting English as an Additional Language (EAL) students.

Responsibilities

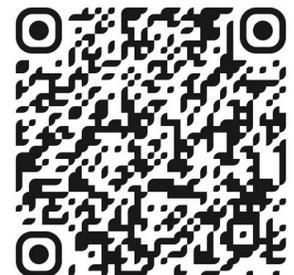

The Culture Program Leader will play a central role in supporting engaging, educational, and culturally enriching program for Explore EAL program participants. Duties include:

- Planning and implementing daily sociocultural and educational activities.
- Supporting the preparation and delivery of daily programming for learning initiatives.
- Facilitating activities that promote creativity, language development, teamwork, and exploration.
- Source, purchase, and organize materials and managing an inventory of program supplies.
- Setting up, organizing, and taking down equipment and materials for activities and events.
- Ensuring a safe, welcoming, and inclusive environment for all participants.
- Performing additional duties as required.

Contract length: 10 weeks

Expected hours: 35 – 40 per week

Expected start date: 2026-06-01
