GRENFELL CAMPUS RESEARCH FUND

Application Form

A complete application package includes:

- An **abbreviated, research-focused Curriculum Vitae** or resumé, conforming to best practice in your discipline (no more than six pages, single spaced)
- An accompanying **research proposal** (no more than two pages, not including references, single spaced)
- A **research budget** and justification (no more than two pages, single spaced), including an itemized list of costs, including applicable taxes. If the application involves contributions from other Schools and/or other external agencies or partners, the applicant should include these resources in the proposal budget and provide letters of commitment from the relevant source with details for cash and/or in-kind contributions. If you have applied for support for this proposal from any other sources but have not received a decision, please outline those as well
- Please fill out the following information and include it with the supporting documents listed above. You can either submit the application package as a single PDF file or as separate documents. Once ready, send the application package to gcresearch@mun.ca

1. **Applicant's name:** _____
2. **Applicant's school:** _____
