

Hebron Diversity Award

This award was created from a generous contribution from the Hebron Project. The Hebron Project co-venturers are ExxonMobil Canada Properties (operator), Chevron Canada, Suncor Energy, Statoil Canada and Nalcor Energy. Awards will be available to full-time or part-time students, enrolled at any campus of Memorial University of Newfoundland, who have Indigenous status, a disability, or who represent a visible minority. Students with a disability should provide supporting documentation (from a medical doctor, psychologist, audiologist, rehabilitation counselor, or other professional who has specific training, expertise, and experience in the diagnosis of this condition). Students will claim Indigenous and visible minority status through self-identification. Of those eligible students, further preference will be given to students who are majoring in engineering, the geosciences, environmental science or chemistry. Normally, at least one award will be granted in each designated area and where possible, at least one award will be granted to a student in his/her first year of study. For students at the St. John's or Grenfell Campus, the awards will be granted by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards upon the recommendation of the appropriate Department Head.
