

Belize Travel Award

This award, valued at \$1000 for study in Belize, has been established by Dr. Michael Newton. This award is open to students enrolled at the Grenfell Campus of Memorial University or field courses in Belize. Students should be beyond their 1st year of study, meet the minimum academic requirements of clear standing and be recommended by the faculty in their area of study. This award will be made by the Senate Committee on Undergraduate Scholarships, Bursaries and Awards on recommendations of the scholarship committee at Grenfell Campus in consultation with faculty.

Name: _____ Student #: _____

Address: _____

Are you beyond your first year of studies? _____

Have you included a letter of recommendations from the faculty in your area of study _____

On a separate sheet describe how studying in Belize would benefit you.

Please email completed application and other required materials to gcstudentservices@mun.ca
