

We acknowledge that the lands on which we gather, plant, harvest, and share knowledge and resources are the homelands of the Innu and Inuit, and we recognize their ancestral and continued ties to these lands and waters.

AMENDMENTS TO APPROVED COMMUNITY FARM-BASED RESEARCH PROJECTS AT THE PYE CENTRE

Please complete and submit this form if you wish to make a change or an addition to any part of an approved community farm-based research project. This includes changes to any research methods, service and equipment needs, timing of research activities, research partners, data sharing agreements, and results-sharing activities.

Please submit your amendment request to pyecentre@mun.ca. Amendments to previously approved research projects must be reviewed and approved by the Pye Centre's Management Team and Community Farm Advisory Board before any changes are implemented.

PART I: ADMINISTRATIVE INFORMATION
