International Awards

2020 One of the best post-secondary marine/ocean engineering programs in the world
2019 Named top challenger in North America by University Business Incubators
2019 Centre for Entrepreneurship is one of top 5 emerging centres in the world

Newfoundland & Labrador’s University

As Newfoundland and Labrador’s only university, Memorial has a special obligation to the people of this province. Established as a memorial to those who lost their lives on active service during the First World War and subsequent conflicts, Memorial University draws inspiration from these sacrifices of the past as we help to build a better future for our province, our country and our world.
