

Teaching/Learning Development

Teaching and learning happens in the classroom and the clinic. Your learners are medical students, residents, staff, patients and the public. MESC is your resource for ensuring that your teaching is the best it can be, no matter who you teach.

We offer:

[Faculty Development Workshops](#)

Support for Teaching Dossier Preparation

[The Medical Teacher Scholar Program](#)

[The Program in Effective Teaching for Residents](#)

[Teaching and learning resources](#)

Contact [Steve Shorlin](#), Teaching Consultant, to learn more about faculty development to enhance teaching in your course, program or discipline.
