

Undergraduate Medical Education Opportunities for Teaching for Family Physicians

Experience	Description	Remuneration	Contact
Small group tutors	Phase 1, 2 and 3 tutorials - coordinated through Undergraduate Content Leads (UCL's), Phase Leads & UGME Office. Number of sessions varies by specialty.	None	Ms. Vivian Whelan ugme.pre-clerkship@med.mun.ca
Clinical skills	Communications teaching in Phase 1 and 2 - every Wed. a.m. from September to March.	For non- faculty or PT stipendiary.	Ms. Marilyn Moss clinicalskills@med.mun.ca
Clinical skills - OSCE examiner	Two full OSCE's in Phase 3 and one practice in Phase 2 (May).	None	Ms. Marilyn Moss clinicalskills@med.mun.ca
Clinical skills - Day in Violence	One and one-half day workshop for students dealing with sexual assault, intimate partner violence and adult survivors. (4 faculty required)	For non- faculty or PT stipendiary.	Ms. Marilyn Moss clinicalskills@med.mun.ca
Clinical skills - Death and Dying	One-half day session including plenary and small group sessions facilitated by family physicians as well as community preceptors. (11 faculty required)	For non- faculty or PT stipendiary.	Ms. Marilyn Moss clinicalskills@med.mun.ca Dr. Susan MacDonald Faculty
Clinical skills - Giving Bad News	One-half day session including plenary and small group sessions facilitated by family physicians as well as community preceptors. (11 faculty required)	For non- faculty or PT stipendiary.	Ms. Marilyn Moss clinicalskills@med.mun.ca Dr. Susan MacDonald Faculty
Research Curriculum, Phases 1-4	Provides students with an opportunity to develop mentorship for student-led research projects, non-medical expert CanMEDS competencies and research skills.	None	Ms. Katrin Zipperlen ugme.curriculum@med.mun.ca
Integrated learning sessions (ILS)	Facilitator for ILS sessions in Phases 1, 2 and 3	None	Mr. Steve Shorlin stephen.shorlin@med.mun.ca
Assessment Working Group Phase 1, 2, 3 Leads	Leadership for assessment processes in Phases I, 2 and 3	None	Ms. Elas Winter elas.winter@med.mun.ca

Teaching/ Learning Working Group	Leadership for teaching/learning methods planning/direction cross Phases	None	Mr. Steve Shorlin stephen.shorlin@med.mun.ca
LIC Planning- Longitudinal Integrated Clerkship (LIC)	Planning for longitudinal integrated core clerkship in one generalist, community based location.	None	Dr. Kath Stringer Katherine.stringer@med.mun.ca
Community Engagement 1 "The Physician Visit" (starting Fall 2016)	Expose medical students to Family Medicine (to learn about the variety of patients and issues seen and how family doctors provide care) and to provide a laboratory in which students will be able to see real-life clinical links with their ongoing education. To achieve this goal, students will be paired 1:1 with family physicians (metro St. John's) and shadow then in clinical practice four half days over a twelve week period.	\$200 per student (tbc)	Ms. Sarah Eustace fm.ugme@med.mun.ca
Community Engagement 2 "Housecall"	Two-week course during Phase 2 in both rural and urban settings. To further experience interactions among patients, their family physician and the health care system when presenting with acute changes in health status. Sites include NB, PE*, Yukon and NL.	\$150 per week	Ms. Sarah Eustace fm.ugme@med.mun.ca
Community Engagement 3- "Black Bag"	Two-week course during Phase 3 in both rural and urban settings. To further experience among patients, their family physician and the health care system when presenting with an acute or chronic change in health status. Sites include NB, PE*, Yukon and NL.	\$150 per week	Ms. Sarah Eustace fm.ugme@med.mun.ca
Clerkship (core)	Eight-week rural family medicine placements - NL, NB, PEI & Yukon	\$200 per week	Ms. Michelle Holloway rfm.clerkship@med.mun.ca
Clerkship - Academic half-day	Facilitator for two-hour AHD weekly sessions	None	Ms. Michelle Holloway rfm.clerkship@med.mun.ca
Electives	2-4 week blocks -12 weeks total - clerkship	\$100 per week	Ms. Kathy Murphy Ugme.electives@med.mun.ca
Visiting Electives	Variable	None	Ms. Renee Perry ugme.electives-visiting@med.mun.ca

Selectives	12 weeks total – clerkship 4 weeks rural in 1 of 6 specialties including family medicine	\$100 per week	Ms. Sandy Williamson ugme.clerkship@med.mun.ca
Progression to Postgraduate (P2P)	A 12-week longitudinal, integrated selective. The P2P experience immerses students in a generalist, community-based clinical experience and enables an enriched transition from clerkship into residency. P2P is a structured selective based on continuity of care and patient-centered educational models. Credit for the P2P course is equivalent to credit for completing all ‘traditional’ selectives.	\$100 per week. Sites available: Burin, Goose Bay, Grand Falls, NL; Waterville, NB; and Summerside, PE*. *PE rates as per MOU	Ms. Sandy Williamson ugme.clerkship@med.mun.ca Dr. Chris Patey pateycp@gmail.com
Family Medicine Interest Group	Fridays with Family talks – most Fridays from October to May	None	Ms. Sarah Eustace fm.ugme@med.mun.ca
UG Shadowing	Any area – maximum of 12/week; coordinated by students	None	Dr. Angus Hartery ahartery@mun.ca Ms. Andrea Warman Andrea.warman@med.mun.ca
