Business Arising	
YouSeeU is replacing Blackboard Collaborate. The information on YouSeeU will also be embedded in D2L. All Disciplines will have their own shell & will be able to start it up themselves. Two mics have been purchased to capture the speaker only eliminating the surrounding noise.	
T-Res 2 App didn't go that well. It will be reviewed to see if it will be launched in the fall	
Still unknown if NBME will be using Questionmark for the exam.	
General Business	
New Members are still needed	
NLCHI is working with HSIMS on Informatics Initiatives in the curriculum.	
Polycom Project- Remove Bridge off Bell's Network & onto the MUN Network	
Memorial Active Directory Project (MAD) Should be completed by Sept 2017.	
D2L will be called Bright space and it will be housed in the cloud not on MUN servers.	
Qualtrics is a new survey tool that is very easy to use.
