- *Specialty Café* & *Café des spécialités* connect med students to Royal College specialists and residents.
- Created and hosted by med students, this series provides a glimpse into the reality of a day in the life of a specialist and/or a resident.
- Every two weeks hosts ask their guests about the benefits and challenges of their specialty.
- Discussions are frank and authentic with genuine conversations about work/life balance, along with some newfound advice for med students as they navigate their career.
