

Happy Retirement!

Dr. David Buckley
Neurology, 1993

Dr. Rick Cooper
General Pediatrics, 1974

Dr. Maeve Kelly
Newborn, General Pediatrics, 1987

Dr. Poh Gin Kwa
Neonatology, Newborn Med, 1971

Drs David Buckley, Rick Cooper, Maeve Kelly and Poh Gin Kwa will be retiring at the December 2021. Collectively they have 169 years of practice at the Janeway!!!

They have had an immeasurable impact on the health and wellbeing of children in our province. The care they provided to our patients has been felt in every department and has covered the entire scope of pediatric practice from our intensive care units, pediatric wards, and outpatient clinics.

For many of us who are now colleagues they also looked after our own children at the time they were born, and at various health checks and “drop ins” along the way.

Thank you for the outstanding care you have provided and for continuing to be a part of the Janeway family.

We wish you all a happy and healthy retirement!!!

Mock accreditation

A big congratulations to Drs Bowes, Smith and the entire RPC!!! Mock accreditation was a success!! Thanks to all your hard work we are well on the way to having our accreditation status restored!! Thank you!!

Important announcements!!

Hey everyone! If you weren't aware, last year we started the MUN Peds Instagram account as a way to highlight the amazing things about our program for Carms applicants.

We are back in full swing on our Instagram page, trying to post daily - 5x/week.

If you would like to be featured in a post or have something about the program or the Janeway highlighted please reach out to Alanna who will coordinate this to happen!

Some examples of what our posts have included: Meet the resident bios, meet the staff bios, fun things about Newfoundland, MUN Peds pups.

Contact Alanna via email - alannaroberts@gmail.com

Congratulations to Dr. Andy O'Keefe!

Andy recently completed his master's degree in Public Health from Harvard University! Congratulations!!

Mark your calendars!!

Pediatric Christmas party on Saturday December 11th, 2021! Swilers Rugby Club, 8pm.

CaRMS file review starts on January 31st, 2022.

CaRMS interviews will take place on March 7th, 8th, 9th and 10th, 2022.

The residents recently enjoyed their annual retreat in Dildo. With great sessions organized by the PGY2's we all left retreat more knowledgeable on a variety of topics including everyday wellness, the CAYAC clinic and providing Pediatric care to Indigenous populations. The theme for the evening party was 'Trick or Retreat' ... each resident year did a themed group costume! It was a wonderful retreat and we are so thankful for the opportunity to gather together to learn and make great memories.
