To build a meaningful career, you need the right programs. You need passionate mentors focused on your future. You need a community that embraces and inspires you. You need to go the distance. And there are so many reasons to make the move to Memorial:

WORLD-CLASS FACULTY

Our faculty are world-class performers, scholars, and creators. They are outstanding teachers dedicated to supporting your development.

SMALL CLASS SIZES

No one gets lost in our programs. With a student to faculty ratio of 5:1, you get the attention you deserve.

FACILITIES

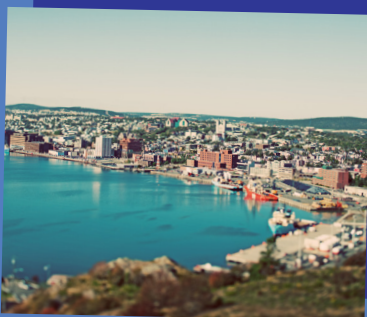

You will get to practice and perform in our superb facilities, which include the D.F. Cook Recital Hall, Suncor Energy Hall, the Memorial Electro-Acoustic Research Lab (MEARL), and well-equipped rehearsal and practice spaces. We also have extensive score and media collections in our Music Resource Centre.

THRIVING COMMUNITY

Students at Memorial's School of Music are embraced by our wider community right from the start. With our close connections to professional arts organizations, you'll have lots of opportunities to gain industry experience while you study.
