Faculty of Science/Department of Psychology

Per-Course Appointment

The Department of Psychology invites applications from individuals interested in teaching the following graduate course in the Spring 2024 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with Department of Psychology regulations and the Memorial University Calendar.

Course Title: PSYC 7022- Practicum in Child Assessment and Diagnosis

Course Schedule: To be determined with course instructor and program

Campus Location: St. John's Campus

Course Description: Psychology 7022 Practicum in Child Assessment and Diagnosis provides an opportunity for students to complete a psychological assessment of a child. Students will administer a selected battery of psychometric tests and interviews, interpret the results, provide verbal feedback and write an integrative report of their findings and recommendations. The practicum requires that students spend 16 hours per week for 6 weeks working under supervision in the Psychology Clinic and attend a weekly seminar. The course is part of the doctoral program in clinical psychology and the instructor will be responsible for teaching students how to administer, score, and interpret a selected battery of psychometric tests and interviews at the MUN Psychology Clinic. Students will also learn how to write an integrative report of their findings for a child assessment. Where possible students will also participate in providing verbal feedback, a case conference and/or a school meeting.

Qualifications: (1) A doctorate from a CPA- or APA-accredited clinical psychology program, (2) successful completion of a CPA- or APA- accredited pre-doctoral internship in clinical psychology, (3) registered as a Psychologist with the Newfoundland and Labrador Psychology Board, (4) demonstrated knowledge of the specific topics noted in the course description above, including proficiency in the administration and scoring of the WISC-V and WIAT-III, and (5) documented extensive clinical experience working with children and families.

To apply for this position:

Please submit a letter of application, curriculum vitae and the names of referees, electronically or in writing to:

Head, Department of Psychology
