MEMORIAL UNIVERSITY

HEAD, DEPARTMENT OF BIOLOGY

CALL FOR APPLICATIONS

Memorial University invites applications from or nominations of current Academic Staff Members (ASMs) from within the University for the position of Head, Department of Biology. Note that the position is open to ASMs who are not necessarily affiliated with Biology. The appointment is expected to begin September 1, 2023 (or upon filling the position), is initially for a term of three years, and is renewable.

Candidates should ideally have a strong record of research, teaching and administration in a relevant biological field, and possess good interpersonal, organizational, and leadership skills.

Applications and nominations will be treated in confidence. Nominations should include a letter from the nominee agreeing to the nomination. Applications and nominations should include a vision statement (1-2 pages) for how the Department might evolve under the candidate’s leadership, including how to maintain and develop our strengths in research and teaching, along with a current CV. Shortlisted candidates will be asked to supply names and contact information of three references. All materials must be submitted by 5:00 PM on January 20, 2023 to:

Dr. Yolanda Wiersma, Chair
Search Committee for the Head of Biology
c/o Cherie Hussey, Office of the Dean of Science
Chemistry/Physics Building
Memorial University
Email: deansciassistant@mun.ca

Memorial University is committed to employment equity and encourages applications from qualified women and men, visible minorities, Indigenous people, and persons with disabilities. All qualified candidates are encouraged to apply.
