The Steacie Prize

The E.W.R. Steacie Memorial Fund
Requests nominations for

The Steacie Prize in the Natural Sciences

The Steacie Prize is a Canadian award of \$10,000 presented once a year to a scientist or engineer of 40 years of age or less for outstanding scientific research carried out in Canada. To compete for this prize, a person must be nominated by a colleague. The winner is selected by a distinguished panel appointed annually by the E.W.R. Steacie Memorial Fund, a private foundation dedicated to the advancement of science and engineering in Canada.

Nominations require: an introductory letter explaining why the candidate should be considered for the prize, including the candidate's year of birth; a *curriculum vitae* with publication list; and letters of support from expert external referees (a minimum of 3 and a maximum of 5). Extensions beyond the 40 year age requirement are permitted for official leaves, including parental and sick leave, and must be specified in the nomination letter. Nominations longer than 25 pages (single-sided) may be edited. Submissions should be made by e-mail (*.doc and/or *.pdf files). The deadline for receipt is **August 31, 2024**.
