

### Master's Research Report

I \_\_\_\_\_ authorize the program chair to deposit a copy of my research report entitled \_\_\_\_\_

\_\_\_\_\_ in the Memorial University library, and to retain a second copy on the following conditions. I understand that I may choose only ONE of the options here listed, and may not afterwards apply for any additional restriction. I further understand that the University will not grant any restriction on the publication of report abstracts.

*(After reading the explanatory notes at the foot of this form, select (a), (b) or (c), whichever is applicable.)*

The conditions of deposit are:

a) that two copies are to be made available to users at the discretion of their custodians,

OR

b) that access to, and quotation from, this report is to be granted only with my written permission for a period of one year from the date on which the report, after the approval of the award of the degree, is entrusted to the care of the University, namely \_\_\_\_\_, 20\_\_\_\_, after which time it will be made available to users at the discretion of their custodians.

c) that access to, and quotation from, this report is to be granted only with my written permission for a period of \_\_\_\_ years from the date on which the report, after the approval of the award of the degree, is entrusted to the care of the University, namely \_\_\_\_\_, 20\_\_\_\_, after which time it will be made available to users at the discretion of their custodians.

\_\_\_\_\_  
Date

\_\_\_\_\_  
Signature of student

\_\_\_\_\_  
Signature of program chair

\_\_\_\_\_  
Signature of witness

**Notes:**

- 1. Restriction (b) will be granted on application, without reason given. However, applications for restriction (c) must be accompanied with a detailed explanation, indicating why restriction is thought to be necessary, and justifying the length of time requested. Restrictions required on the grounds that the report is being prepared for publication, or that patents are awaited, will not be permitted to exceed three years.*
- 2. Report writers are reminded that, if they have been engaged in contractual research, they may have already agreed to restrict access to their report until the terms of the contract have been fulfilled.*
