

# The PLACE Dialogues.

A collective approach to transforming communities through bottom-up strategies and home grown solutions.

## Why run a PLACE Dialogues in your community?

▶ The PLACE Dialogues is a proven method that has successfully created networks and re-energized community leaders.

See the PLACE Dialogues in action.

**Community Leaders and Academics team-up to co-create the Dialogues.**

*Together We ...*

Honour the community's assets and location.

Engage key voices and community leaders.

Foster diverse perspectives and meaningful connections.

Encourage boundary-pushing and innovation.
