

Working part-time on campus is a great experience for students for many reasons. It is an opportunity to:

- Increase work experience;
- Meet new people;
- Develop new skills;
- Enjoy flexible work hours.

Memorial's Undergraduate Career Experience Program (MUCEP)

- Available to undergraduate students who are considered full-time in the fall/winter semesters (e.g. students registered in at least three credit courses or who have a reduced course load supported through the Blundon Centre).
- Available to undergraduate students registered in at least one credit course (spring/intersession/summer semester).
- Students must have at least a 60% cumulative average or a 60% average in the last 10 courses completed.
- Students must hold no more than one MUCEP position at 80 hours or two MUCEP positions at 40 hours each.

How to Apply: Visit the Career section of your MyMUNLife account during the first full week of classes

International Student Work Experience Program (ISWEP)

- Available to international undergraduate students who are considered full-time in the fall/winter semesters (e.g. students registered in at least three credit courses or who are doing a reduced course load supported through the Blundon Centre).
- Available to undergraduate students registered in at least one credit course (spring/intersession/summer semester).
- Students must have at least a 60% cumulative average or a 60% average in the last 10 courses completed.
- Students must hold no more than one ISWEP position at 80 hours or two ISWEP positions at 40 hours each.

How to Apply: Visit the Career section of your MyMUNLife account during the first full week of classes

Student Work and Service Program (SWASP)

- Available to student parents during the Fall, Winter, Spring/Summer semesters
- Students take initiative to work with a staff member of their choosing who accepts to be their supervisor.
- Available hour options: 520, 260, and 100.
- Payment is cash stipend and tuition voucher.

How to Apply: Visit the Career section of your MyMUNLife account during the second week of classes

Graduate Student Work Experience Program (GradSWEP)

- Graduate students are eligible to participate in 75-hour-job-placements paid at the graduate student rate. These positions provide relevant career experience, and are overseen by a Memorial faculty member or staff supervisor.

How to Apply: visit the Career section of your MyMUNLife account during the second week of classes

Small Enterprise Co-Operative Placement Assistance Program (SECPAP)

- SECPAP exposes small business throughout Newfoundland and Labrador to the value of co-operative education, creating a long-term demand for co-operative education students and graduates. It also provides co-op students with the opportunity to explore the small business sector as a viable and attractive career option.
 - This program will fund 50 per cent of the co-operative education student's overall hourly salary up to a maximum of \$6/hr.
 - Students can encourage eligible employers to apply for this program to help subsidize their work term hourly wage.
 - For information on employer eligibility and how to apply visit:
