

## Application for Membership in TAUMUN

### Instructions:

Your “Memorial Employee Identification Number” is the same as your MUN student number.

For “Home Telephone” you can also put in your cell phone number.

Your “Position Title” should appear on your Letter of Appointment from your department. It is likely “teaching assistant”, “research assistant” or “graduate assistant”.

For “Date of Employment”, enter the date that your first employment at MUN started.

For “DATE”, enter the date that you filled out the form.

You can print the form and fill out the fields on the form by hand or type them in before printing the form. The form **must be signed by hand** (pen on paper) though. It cannot be signed digitally. Likewise, the completed form **must be submitted in paper format**. For legal reasons, we cannot accept the form in digital format.

After you have filled out the form, you can drop it off at the TAUMUN office.

**Room ER-4053** (Alexander Murray Building, AKA the earth sciences building), main St. John’s campus.

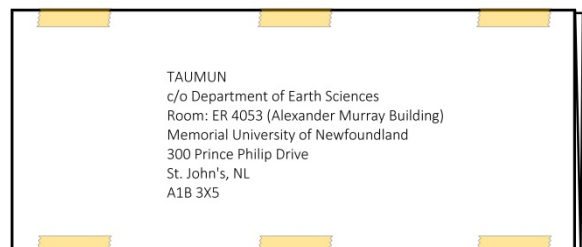

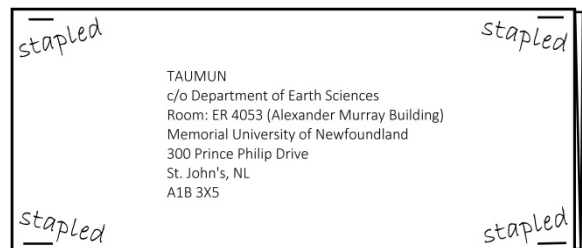

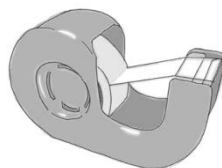

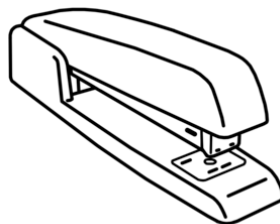

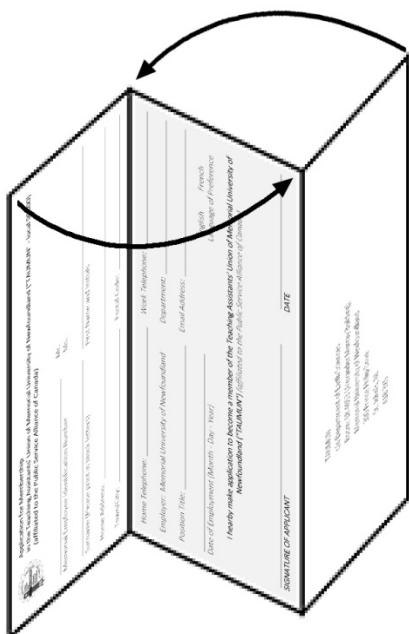

If the office is closed, you can slip it under the door and we’ll get it the next time someone is in the office.

If you are not able to come to the office (for example, if you work on another campus or are doing fieldwork off campus) you can send it to us by post or by internal mail.

**To send it by post**, put the page into an envelope and send it to the address at the bottom of the page.

**To send it by internal mail**, just drop it off with any department secretary and tell him or her that this is for internal mail.

Before sending it through internal mail, you can either put it in an envelope and use the address on the bottom of the form, or you can fold the paper on the thick grey lines in a Z form, as in the image below. Make sure that the part of the form with your details is on the inside, and the address is on the outside. Staple or tape the open ends shut. (Do not glue them shut.)

**Application for Membership**  
**in the Teaching Assistants' Union of Memorial University of Newfoundland ("TAUMUN" - local 90600)**  
*(affiliated to the Public Service Alliance of Canada)*
