memorial university

ST. JOHN'S CAMPUS is located in the heart of Newfoundland and Labrador's capital city, St. John's. Our largest campus is home to roughly 16,000 students who flourish in a diverse and cosmopolitan environment. Whether it's shopping on Water Street or enjoying the music on George Street, there's rarely a dull moment.

mun.ca/undergrad

MARINE INSTITUTE, located in St. John's, is one of the largest and most comprehensive marine educational and applied research facilities in the world.

learnatmi.ca

SIGNAL HILL CAMPUS is located on Signal Hill in St. John's. Its iconic location is dedicated to help address 21st century issues by connecting the expertise and ideas of Memorial University students, faculty, staff and retirees with the people and organizations of Newfoundland and Labrador.

mun.ca/signalhill

LABRADOR CAMPUS, Memorial's newest campus, is based in Happy Valley-Goose Bay. By providing place-based, Northern-focused, and Indigenous-led opportunities in Labrador and across the North, Labrador Campus is a leading centre of research, education, policy, and community partnerships.

mun.ca/labradorcampus

GRENFELL CAMPUS is located in Corner Brook on Newfoundland and Labrador's west coast. With 1,300 students, Grenfell is considered more of a home than an institution by many of its students. The campus is personal, interdisciplinary and full of adventure, with downhill skiing, cave exploration and kayaking mere minutes away.

mun.ca/grenfellcampus

HARLOW CAMPUS in England gives students a chance to study abroad, providing a unique learning experience.

mun.ca/harlow

newfoundland *and* labrador

Home to the most easterly point in North America, Newfoundland and Labrador, Canada, is surrounded by the Atlantic Ocean and features some of the oldest rocks and fossils in the world. The rugged terrain, amazing vistas, and sprawling coastline are unique, to say the least.

This is a province steeped in history and culture. Here, you can experience vibrant urban environments, historic outport communities, and serene national parks across our vast and varied landscapes.

Newfoundland and Labrador is the perfect place to enjoy outdoor adventures like hiking, kayaking, and whale watching. Not to mention, it's one of the best places in the world to see icebergs.

The people here are as unique as the terrain. The kindness, humour and character all drive a refreshing approach to life. Visitors are welcomed like old friends and there's always someone willing to lend a hand. This is truly a place like no other.

[newfoundlandlabrador.com](https://www.newfoundlandlabrador.com)

st. john's

St. John's is our province's historic capital and home to over 200,000 people. Founded more than 400 years ago, it is one of the oldest cities in North America. Today, St. John's perfectly combines tradition with sophistication and is a safe, cosmopolitan city.

Our proximity to the Atlantic Ocean heavily influences the climate. It can be windy, rainy or foggy in St. John's on any given day—but that can change quickly to blue skies and sunshine. During the summer there's always an ocean breeze to keep you comfortable. Winters are generally mild, sometimes cool and brisk, but great for your favourite outdoor activities.

Speaking of activities, the options here are endless. Explore our rich history at The Rooms. Take in art and plays in one of our many galleries and theatres. Visit historic Quidi Vidi, a village within the city. Ski or jog the trails in Pippy Park. Hike Signal Hill and the East Coast Trail. Check out the St. John's Farmers Market. Eat at some of Canada's best restaurants. Take part in numerous festivals throughout the year.

No matter your interests, there is something for everyone in St. John's.

st. john's campus

PEOPLE TELL US Memorial is a community within a community. Here, you'll find state-of-the-art study and research facilities, alongside on-campus residences and a wide variety of academic programs. You'll also have access to countless extracurricular activities on campus and throughout the city.

community - clubs and societies

- + LGBTQ+ & marginalized genders
- + students older than average + student parents
- + Indigenous Student Resource Centre + The Circle
- + volunteer + green mindfulness + student oasis
- + CHMR-FM Radio + SafeDrive
- + café concerts + MUNnel music

If campus is a community, then the Smallwood University Centre (also known as the UC) is the centre of campus life. Here, you'll find medical care, stores, the Student Volunteer Bureau (SVB), a food court, study corners and hangouts. From the bookstore to The Students' Union, MUNSU, to career and wellness centres, there's almost nothing you can't find here.

Athletics at Memorial gives students many opportunities to compete, socialize and be physically active while completing their degree program. The Sea-Hawks varsity teams compete across Canada in men's and women's basketball, cross-country running, soccer, and swimming, as well as women's volleyball. Several other club and intramural sports are available, including curling, rugby, and track and field.

goseahawks.ca

student support

- + academic advice + tutors + course tutorials
- + study skills + research writing + computing support
- + online education + educational technologies
- + writing clinics + career advice & planning
- + counselling + physical & mental wellness
- + accommodations & supports + accessible education
- + spiritual support & guidance + inclusive environments
- + immigration advising
- + campus food bank + campus childcare

Across the university there are supports available to you which have been created with your academic, personal and professional success in mind. Memorial University offers a broad range of academic and student supports, ranging from workshops and interactive drop-in clinics, to a Writing Centre, an Academic Advising Centre, eight library locations and various collaborative and individual work and study spaces.

mun.ca/undergrad/campus-and-city-life

facilities and services

The Works is Memorial's comprehensive recreation, fitness, aquatics and sporting facility. All students have a membership to The Works included in their recreation fee.

Queen Elizabeth II Library is equipped with the latest technology and some of the best holdings in Atlantic Canada. It is the largest research library collection east of Montreal.

Memorial University has teaching and learning facilities across Newfoundland and Labrador, and abroad, including the Bonne Bay Aquarium & Research Station, The Launch in Holyrood, Institut Frecker in Saint-Pierre, the North West River Research Station and the Ocean Sciences Centre in Logy Bay, giving you diverse choice of where to study.

opportunities

- + volunteer + study abroad + co-op + internship
- + externship + work term + work experience
- + on-campus jobs + exchanges + Harlow
- + conferences + fieldwork + summer field placements
- + UArctic north2north exchange + UMAP exchanges

Here, learning outside the classroom is encouraged. You can choose from semester-long exchanges, summer schools, or even field schools in more than 100 destinations throughout the globe. Spend a semester in Harlow or immerse yourself into a language of your choice in Nice or Heidelberg. Plus, there are dozens of scholarship opportunities to assist students in making their international adventure a reality. We also offer co-operative education in some of our undergraduate programs, with opportunities to work abroad.

residence

Living on campus offers convenience, camaraderie and security in a supportive community that will help you get the most out of your university experience both academically and socially.

Rise to the top of the class with supports like tutors, peer studying opportunities, and access to living and learning communities. Life in residence will open up doors to group activities, sports and events that will lead to life-long friendships.

In most of our residences, you'll find community social spaces and group study areas, as well as wi-fi, laundry facilities, and best of all, access to the MUNnel indoor tunnel system.

Houses in Paton College and Macpherson:

meal plan options

Meal plans may be purchased by any student attending Memorial University

The 7-Day Unlimited

With the 7-Day Unlimited Meal Plan, you can eat at the dining hall as many times as you wish, whether it is for a meal, a snack, or just a cup of coffee. This plan also includes \$100 FLEX dollars to spend at the various campus cafés operated by Aramark.

The 5-Day Unlimited

Perfect for the student who travels home on the weekends. The 5-Day Unlimited Meal Plan allows you to eat at the dining hall Monday through Friday and includes \$200 FLEX dollars to spend at the various campus cafés operated by Aramark.

Boxed lunches

Aramark provides boxed lunches intended for any students who are unable to attend typical meal times due to various reasons. These takeaway meals are perfect for residence students attending the Marine Institute, the Centre for Nursing Studies, or students on work terms or placements. Boxed lunches must be ordered in advance.

Special Dietary Needs

We also accommodate students with special dietary needs. Contact Aramark Ltd., Memorial's contract food service provider on the St. John's campus, for details.

BACHELOR OF TECHNOLOGY engineering technology and applied science, health science

UNDERGRADUATE CERTIFICATE leadership

NOTE: The admission requirements criteria for Marine Institute programs differs from the St. John's and Grenfell campuses. Interested students should refer to learnatmi.ca for admission requirements.

admissions

Memorial has three semesters per academic year:

- Fall (September)
- Winter (January)
- Spring (May)

Direct entry into some programs is offered in the fall semester only. Intakes and application deadlines are available at mun.ca/undergrad/admissions.

All applicants must meet the minimum general admission requirements. Admission to some programs is selective and may require a higher admission average and/or additional qualifications. General admission, with an alternate program of study, may be offered to qualified applicants in advance of a decision regarding admission to a competitive or limited-entry program.

International applicants are advised to apply early. Application deadlines for general admission and for admission to specific programs do not account for any additional time it may take to complete the process of supplying documentation to the Government of Canada for a study permit. For more details, visit ircc.canada.ca.

HIGH SCHOOL/SENIOR SECONDARY SCHOOL APPLICANTS

For general undergraduate admission, applicants need to successfully complete an acceptable high school or senior secondary school program with an overall average of at least

70% or equivalent in the following subject areas at the senior level:

1. English
2. Mathematics
3. A laboratory science
4. A social studies or modern/classical language
5. One other subject area (elective)

Note: One subject from areas 2, 3 or 4 may be waived if further study in that subject is not required for the requested program of study. Another eligible subject from areas 1-4 will be used as a substitution.

For more information on admission requirements for each Canadian province and territory, many countries, and common international curricula, visit mun.ca/undergrad/admissions.

SUPPORTING DOCUMENTS REQUIRED

POST-SECONDARY TRANSFER APPLICANTS

If you are attending, or have attended, another post-secondary institution, you will be considered for admission as a transfer student. Declare any/all other institutions attended on your application for admission, regardless of whether you wish or expect to receive transfer credit. To be eligible for general admission, transfer students must be in clear academic standing at the last institution attended.

Review the instructions and deadline dates for submitting documents at mun.ca/undergrad/admissions.

PROOF OF ENGLISH PROFICIENCY

English is the primary language of instruction at Memorial University.

All students applying for admission must prove their proficiency in English through one of the methods outlined below.

ENGLISH LANGUAGE HIGH SCHOOL At least three years of full-time instruction at an English language high school that is recognized by Memorial, including the successful completion of courses at the senior high school or equivalent level in English (not including ESL courses). Additional proof through submission of a recognized English proficiency test-score may be required.

ENGLISH LANGUAGE POST-SECONDARY Applicants who have attended a recognized post-secondary institution where English is the language of instruction may meet the requirement through one of the following:

- A minimum of 30 credit hours or equivalent of full-time instruction in a recognized degree program at a university in Canada.
- A minimum of a 2-year credential in a recognized program awarded by a post-secondary institution in Canada.
- A minimum of 30 credit hours or equivalent completed at a partner institution of Memorial University and leading to an exchange, transfer or other academic program governed by an agreement between the partner institution and Memorial University. Applicants must also satisfy any additional English language proficiency requirements outlined in the partnership agreement.

Medium of instruction letters are not accepted.

INTENSIVE ENGLISH PROGRAM Completion of Memorial's Intensive English Program or Intensive English Bridge Program at Grenfell Campus. For more information, visit mun.ca/grenfellcampus.

ENGLISH PROFICIENCY TEST For accepted tests, minimum score requirements and submission instructions, visit mun.ca/english-proficiency.

money matters

Cost should not be the sole factor you consider when choosing a university. By comparison to other Canadian universities, however, you will find a Memorial University education offers great value.

For information on 2024-25 undergraduate tuition fees, visit mun.ca/undergrad/money-matters.

| | NEWFOUNDLAND AND LABRADOR STUDENTS | OTHER CANADIAN STUDENTS | INTERNATIONAL STUDENTS |
